

# Good King Enery

When first King Ener - y ruled this land, ruled this land,  
ruled this land, When first King Ener - y ruled this land,  
He was a most gra - - cious king.

When first King Enery ruled this land,  
Ruled this land, ruled this land,  
When first King enery ruled this land,  
He was a most gracious king.

He stole two pecks of barley meal  
To make a bag pudding on.

A bag pudding the King did make,  
And stuffed it well with plums.

And they did put lumps of suet in,  
As big as my twa thumbs.
