Tom and Harry went to plough,  
Dillom down dillom,  
As Tom and Harry went to plough,  
Quidly quo quam,  
As Tom and Harry went to plough,  
They saw a fair maid on a bough,  
Kamberly quo, quoddle dam,  
Quidly quo quam.

"Why do ye, fair maid, sit so high  
That no young man can you come nigh?"

The fair maid unto them did say  
"If you can fetch me down you may.

There is a wild boar in the wood  
If he comes out he'll suck your blood!"

That rocks and hills and trees fell down.
