Queen Ma - ry, Queen Ma - ry, my age is six - teen, My  
fath - er's a farm - er in yon - - der green, With plen - ty of mon - ey to  
dress me in silk, Come a - - long, bon - ny las - sie, and give me a waltz.

My name is Queen Mary, my age is sixteen,  
My father's a farmer on yonder green;  
He's plenty of money to dress me sae braw,  
But there's nae bonnie laddie will tak' me awa'.

One morning I rose and I looked in the glass,  
I said to myself what a handsome young lass;  
My hands on my sides, and I gave a ha-ha,  
But there's nae bonnie laddie will tak' me awa'.
