

## Liberty for the Sailors

Lasses, call your lads ashore,  
Lasses, call your lads ashore,  
Lasses, call your lads ashore,  
There's liberty for the sailors.

Liberty and money free,  
Liberty and money free,  
Liberty and money free,  
There's liberty for the sailors.

Let the lubbers lie aboard,  
Let the lubbers lie aboard,  
Let the lubbers lie aboard,  
Because they're nobbut tailors.

But lasses, call your lads etc.
