

Farewell Manchester

Charles Stuart's Farewell

Farewell Manchester! noble town, fare-well!
Here with loyalty ev'ry breast can swell,
Wheresoe'er I roam, Here, as in a home,
Ever, dear Lancashire, my heart shall dwell.

Farewell Manchester! sadly I depart.
Tear-drops bodingly from their prison start.
Though I toil anew, Shadows to pursue,
Shadows vain, thou'lt remain within my heart.
