

## Gently Johnny my Jingalo

I put my hand all on her toe,  
(Fair maid is a lily O)  
She says to me you want to go  
(Come to me quietly,  
Do not do me injury,  
Gently Johnny my Jingalo.)

I put my hand all on her knee.  
She says to me: Do you want to see?

I put my hand all on her thigh  
She says to me: Do you want to try?

I put my hand all on her billy.  
She says to me: Do you want to fill 'ee?

I put my hand all on her breast.  
She says to me: Do you want a kiss?

I put my hand all on her head.  
She says: Do you want my maidenhead?
