Poor Jenny is a-weeping,
A-weeping, a-weeping,
Poor Jenny is a-weeping
On a bright summer's day.

I'm weeping for a loved one,
A loved one, a loved one,
I'm weeping for a loved one
On a bright summer's day.

Why are you weeping,
Weeping, weeping,
Why are you weeping
On a bright summer's day?

Stand up and choose your loved one,
Your loved one, your loved one,
Stand up and choose your loved one
On a bright summer's day.

Shake hands before you leave her,
You leave 'er, you leave 'er
Shake hands before you leave 'er
On a bright summer's day
